RESOURCES FOR WARDS AND STAKES

### **WHAT IS THE ROLE OF WARDS AND STAKES IN LIGHT THE WORLD?**

Consider how you can include Light the World in the activities, service events, and celebrations you are already planning this Christmas season. Stakes and wards can support members as they show love to others, share the Light of Christ, and invite others to experience the blessings of sharing His light through opportunities to come and see and come and help. We invite all this year to share the joy of Christ's light by focusing their efforts on giving "glory to God in the highest, and on earth peace, good will toward men" (Luke 2:14).

### **WHAT LIGHT THE WORLD RESOURCES ARE AVAILABLE TO WARDS AND STAKES?**

Light the World invitation templates for wards and stakes have been designed for use in your print and social media efforts. These templates may be used to invite friends, family, and neighbors to join you in sharing the joy of Christ's light this Christmas season. The templates are available to be downloaded and edited with your event details using any PDF reader. If you do not have a PDF reader, you can edit the templates using an internet browser, such as Google Chrome.

### **WHAT IF AN ACTIVITY REQUIRES CUSTOMIZATION?**

If your activities require more customized invitations, we recommend utilizing individual Light the World design elements in your creations. After downloading the logo files, you may create other color versions as needed from the available initiative colors.
